Environmental Staff Comments:

1. FPA labels 9 dock slips existing. Aerials reveal and DSH2014-00440 only permits 7 slips at this time. Please revise to label as existing and proposed or provide documentation otherwise.
2. Is there still 3.31 acres of green area/open space within the project? Has/Will the reduced setbacks affected open space? Please re-evaluate acreage and revise Project Data table and Open Space table as necessary.

Thank you,

Susie Derheimer
