Sufficiency Comments:

1. What is proposed for the shoreline along lots 42-56 and the common area between lots 41 & 42? Is hatching necessary?
2. Please provide an updated (if necessary) Rip Rap Exhibit consistent with the proposed FPA shoreline. (See ADD2014-00102)
3. The proposed Final Plan depicts Deviation #2 symbol in lot 24. The shoreline is hatched as beach. Please revise for consistency.
4. What is the dark hatching along the shoreline where the Turf Reinforcement Mat is proposed? Please add hatching to Legend.
