ZIENOWICZ JOSEPH P & ZIENOWICZ SUSAN C TR FOR ZIENOWICZ FAMILY TRUST 1940 JAMACIA WAY PUNTA GORDA

Dear Property Owner:

Since you are the owner of one or more lots or tracts within the River Hall Residential Planned Development (RPD)/Commercial Planned Development (CPD), you are being notified that an Administrative Amendment to the approved River Hall Zoning Resolution is being applied for to resolve several properties within your community currently out of compliance, which have not yet been cited with code violations since staff is aware that this amendment is being requested.

The Administrative Amendment is specifically to remove the strikethrough language below, from the side lot set back requirement.

"Minimum Setbacks

Single Family

Side: 5 feet. ~~Structures (including but not limited to, sidewalks, air conditioners, mechanical equipment, door stoops, walls, etc.) may not be located within the required 5 foot side setback of each lot. Prior to issuance of Certificate of Occupancy on each lot, the Engineer of Record must certify that the drainage for each lot is built in compliance with the typical lot grading detail provided.~~

The requested modification will conform with Land Development Code criteria and the South Florida Water Management District Certification process for drainage compliance. Currently several home sites within River Hall have sidewalks and mechanical equipment within the 5 foot side setbacks. The requested amendment also seeks to continue future home site construction in the same fashion as existing homes.

As required by Lee County, a public meeting will be held at the River Hall Town Hall Amenity Center in the Arts & Crafts Room on Thursday, June 15, 2017 at 6:00 p.m. to discuss this action with any interested or concerned homeowners.

Sincerely,

Barraco and Associates, Inc.

Carl A. Barraco, P.E.
President
