Dear Mr. Barraco,

D.R. Horton, Inc. currently owns numerous lots within River Hall and is contracted to purchase additional homesites for our homebuilding operations. We fully support the application for an Administrative Amendment to Zoning Resolution Z-15-003 to remove the stipulation prohibiting air conditioner pads, mechanical equipment, etc. within the side yard setbacks.

Should you have any questions, please do not hesitate to contact me.

Regards,

James Ratz
Director of Land Development
