Re: River Hall
ADD2019-00169 - Administrative Amendment

Dear Mr. Rodriguez:

Please accept the following information in response to your November 7, 2019 correspondence regarding the referenced project. The following responses are provided to directly correspond to your Sufficiency Comments.

Comment 1

LDC Section 33-1482 requires applicants for administrative planned development zoning actions to conduct one publicly-advertised information session within the Caloosahatchee Shores Planning Community prior to obtaining approval or a finding of sufficiency. Please provide evidence that the required public information session was held and submit the required meeting summary document in accordance with this LDC Section.

Response 1

Consistent with LDC Section 33-1482, a publicly-advertised information session within the Caloosahatchee Shores Planning Community was held on January 10th, 2020 at 10 am. The meeting summary and required documentation is included as a part of this submittal.

Comment 2

LDC Section 34-201(a)(1)c requires an application to be initiated by no less than 75 percent of the total number of lot or parcel owners and the homeowners' association(s), if applicable where the property is a subdivision. Please submit a complete list of lot owners, identified by lot number, along with proof that all lot owners who did not join in the application were given written notice thereof by the applicants, with a verified list and fact of notice by sworn affidavit.

Response 2

Compliant with LDC Section 34-201(a)(1)c this application is initiated by more than 75 percent of the total number of parcel owners, in the impacted subdivision phase of River Hall. Per Section 34-201(a)(1)c.1. "a subdivision is an area of property defined by a specific boundary in which lot divisions have been established on a plat that has been recorded in either a plat book or official records book whereby legal descriptions are referred to by lot or parcel number. This term may include any unit or phase of the subdivision and not the entire subdivision." As such, the ownership analysis needs only to review the platted subdivision on the phase effected by the proposed amendment and not all of River Hall.

Mr. Anthony R. Rodriguez, AICP
 River Hall ADD2019-00169
 January 16, 2020

As shown on the enclosed Applicant's Subdivision Exhibit, the area of land effected by the requested amendment resides in River Hall Country Club Phase Two Plat and two vacant unplatted parcels. As the table below shows in yellow, the applicants requesting the amendment own 75% of the tracts and lots within the Phase Two Subdivision plat.

OWNER NAME	NUMBER OF PARCELS	NUMBER OF PARCELS
RH VENTURE II, LLC	1	
RH VENTURE III, LLC	370	
RIVER HALL COUNTRY CLUB HOA, INC.	8	
RH CC, LLC		22
RIVER HALL CDD		38
PULTE		40
OTHERS		23
TOTAL:	379 (75.4%)	123 (24.5%)

In addition to the 379 lots owned by the applicant shown in the table above, RH Venture II, LLC owns two unplatted parcels, STRAP numbers 35-43-26-00-00001.0000 and 35-43-26-00-00002.0000. Inclusion of the two unplatted parcels increases the applicant ownership up to 75.6%, for a total number of 381 lots owned by the applicant out of 504 lots total.

Enclosed please find the Ownership Exhibit, a complete list of parcel owners for all lots/tracts within the River Hall Country Club Phase Two Plat including the two unplatted parcels within the clubhouse expansion area (highlighted in yellow), identified by parcel number. Also enclosed, please find the News Press affidavit verifying fact of written notice.

As part of this Sufficiency Response submittal, please find enclosed the following information to assist with your review.

1. Meeting Summary of Caloosahatchee Shores Planning Community meeting which was held on January 10th, 2019.
2. News Press Affidavit
3. Applicant's Subdivision Exhibit
4. Ownership Exhibit, List of property owners from the Lee County Property Appraiser's website for all of the parcels within River Hall Country Club Phase Two Subdivision as well as two additional parcels to be affected by the Administrative Amendment.

RE:	
River Hall Community Meeting Clubhouse Amenity Expansion	

I conducted a community meeting for ADD2019-00169 at 10:00am, Friday January 10th, at the River Hall Town Hall Amenity Center. The meeting was advertised in the News Press, proof of notification is enclosed. Four River Hall residents attended, please see enclosed sign-in sheet.

I gave a brief introduction on the request, using the three enclosed exhibits on mounted boards (approved MCP, proposed MCP, and Expanded Club Conceptual Rendering). After explaining the request, to expand the golf amenity facility and to allow RM-F uses on Parcel S, we discussed the following:

1. The golf course plan for future holes had a tee and a green where the clubhouse expansion is shown. It's at a pinch point. How will the future golf holes be designed with the large expanded lake and the added pool area?
 - a. Zonings do not specify golf course routings. That level of detail isn't shown on the MCP, but several open space corridors remain in the undeveloped area for future golf. Golf course architects often design around water features.
2. The HOA documents have a condition that the future 9 holes are to be constructed once a certain number of homes are built. Will this amendment change that?
 - a. HOA requirements are not part of the zoning approval. This amendment will not alter the HOA documents.
3. How many lots will be added to Parcel S?

- a. 39 lots exist now. The new count is a little more than double, but less than 100 total units. The D.O. plans are still under design so the unit count isn't final yet.
4. Will the new Parcel S lots be required to purchase golf course memberships?
 - a. I believe they will be, but golf club membership requirements are not included in the zoning approval.
5. Will the HOA fees go up with the additional amenities?
 - a. I don't believe so.
6. Will the new amenities only be for the Country Club residents? How will you keep public golf players out of the new amenity area?
 - a. The club expansion is only for the Country Club residents. We haven't finalized the details, but a fence will be required around the pool. It will likely have some kind of a key card system.
7. Changing the residential product on Parcel S from estate lots to condos or smaller lots makes sense.
8. How does the south entry into Lehigh restrict access? ATV riders, kids on bikes, and people golfing at night are coming onto the property now. Adding the Southern access will make that problem worse.
 - a. This zoning amendment does not change the southern entrance. However, your best security measure is underway by home sales in Hampton Lakes and Portico. The homes and landscaping will provide a physical barrier, and the added people will help to keep an eye on security.
9. Is the lake east of Hampton Lakes a flow-way?
 - a. Last I heard it was not, but that has changed a few times recently so I can't say for certain.
10. If it is a flow way, will it be dry at times where people could walk across?
 - a. If it is a flow way, it will be a lake, not a natural wetland flow way. It will be dug out, because we want the dirt, so it will be a wet lake year round.

The meeting lasted 45 minutes and at conclusion the consensus of the group of biggest concern was future golf course development plans and security concerns with the southern access to Lehigh.
