Hello Brent,

The measurement information provided for the recycling being 10'x10' and the enclosure for the compactor 30'x12'7" works. Go ahead and submit your deviation request.

Sorry for the wait.

Regards,
Brigitte

Brigitte,
Have you had a chance to review this for compliance? Is there any other information you need from me?

Thank you,

Brigitte,

I will be applying for a deviation on this project to use a compactor in lieu of multiple dumpsters.

Please see the attached plan and let me know if you have any concerns with the proposed compactor.

Thank you,
