ADMINISTRATIVE AMENDMENT
LEE COUNTY, FLORIDA

WHEREAS, Miromar Lakes, LLC, Mark W Geschwendt filed an application for Zoning Final Plan Approval to a Mixed Use Planned Development to build a boat ramp facility and request approval of the following new deviation:

A deviation from Land Development Code Section 34-2020(b), which requires boat ramp facilities to provide at a minimum 10 parking spaces, each measuring 12 feet wide by 40 feet long in order to accommodate both a vehicle and a boat trailer, to allow 4 such parking spaces.

on a project known as Miromar Lakes Boat Ramp Facility on property located at Miromar Lakes C/E, described more particularly as:

LEGAL DESCRIPTION: In Section 11, Township 46 South, Range 25 East, Lee County, Florida:

ATTACHED AS EXHIBIT "A"

WHEREAS, the subject property is located in the University Community Future Land Use Category as designated by the Lee Plan; and

WHEREAS, the property was originally rezoned in resolution number Z-99-029 [with subsequent amendments in resolution numbers Z-02-072, Z-06-064, Z-10-019, Z-12-004, Z-13-020, and ADD2019-00132]; and

WHEREAS, Condition 1.c of Resolution Z-13-020 requires, as a prerequisite to approval of any local Development Order, a Final Plan Approval that specifies the type, intensity and configuration of development for the particular site; and

WHEREAS, the objective of a Final Plan Approval is to ensure compliance with the DRI Development Order, Zoning Resolution, and the requirements of the LDC and to allow detailed review of deviations while allowing development flexibility to respond to changing conditions; and

WHEREAS, the Lee County Land Development Code provides for certain administrative changes to planned development master concept plans and planned unit development final development plans; and

WHEREAS, the applicant has requested a deviation from LDC Section 34-2020(b) that requires 10 spaces measuring 12 feet wide by 40 feet long in order to accommodate both a vehicle and a boat trailer to allow 4 such parking spaces; and

WHEREAS, the applicant stated that the boat ramp is only accessible to the residents of Miromar Lakes, and Miromar Lakes Master Association's Marine Services will provide concierge service by bringing their boat in and out of the water; and

WHEREAS, Environmental staff has reviewed the request and had no objection; and

WHEREAS, the subject application and plans have been reviewed by the Lee County Department of Community Development in accordance with applicable regulations for compliance with all terms of the administrative approval procedures; and

WHEREAS, the subject application and plans have been reviewed for compliance with the MCP and all of the conditions approved by Resolution Z-13-020, as subsequently amended; and

WHEREAS, it is found that the proposed amendment does not increase density or intensity within the development; does not decrease buffers or open space required by the LDC; does not underutilize public resources or infrastructure; does not reduce total open space, buffering, landscaping or preservation areas; and does not otherwise adversely impact on surrounding land uses.

NOW, THEREFORE, IT IS HEREBY DETERMINED that the application for Zoning Final Plan Approval in the Mixed-Use Planned Development, on a project known Miromar Lakes Boat Ramp Facility to allow a boat ramp facility, including a new deviation is APPROVED with the following conditions:

1. **The Development must be in substantial compliance with the Final Zoning Plan entitled “Miromar Lakes Boat Ramp Facility at Miromar Lakes Beach & Golf Club” prepared by Hole Montes, attached hereto as Exhibit “B”.**
2. **Any development which is not consistent with the final zoning plan approved herein and attached hereto will require an additional, amended final zoning plan approval.**
3. **This boat ramp facility is for the use of Miromar Lakes Beach & Golf Club residents only.**
4. **If it is determined that inaccurate or misleading information was provided to the County or if this decision does not comply with the LDC when rendered, then, at any time, the Zoning Manager may issue a modified decision that complies with the Code or revoke the decision. If the approval is revoked, the applicant may acquire the necessary approvals by filing an application for public hearing in accordance with Chapter 34.**

Duly passed, adopted, and electronically signed on 8/21/2020
