Environmental Review:

The project boundary/limits of the Final Plan Approval depicted on sheet 2 of 3 of the site plans includes only the 300 linear feet of rip-rap being proposed. The compensatory littoral shelf is not provided within the limits of the project boundary/limits of FPA. Please revise to depict the compensatory littoral shelf within the project limits.

Please contact Elizabeth A Workman at EWorkman@leegov.com or by calling 239-533-8793 with any questions regarding the above review comments.
