Hi Tim,

We have no objection to the change of setback for the pool on Lot #1.

External Sender

Tim,

We are processing an amendment to the setback on Lot 1/10 in San Lorenzo to allow Frank Jenkins to have a 5' setback on the pool adjacent to the entry road ROW. This is due to the non-rectangular shape of his lot. Lee County has requested that we obtain an email or letter from the adjacent Lot 2 owner that indicates that there is no objection to this setback amendment.

If you could respond accordingly to my email I will forward to appropriate parties. Thanks

Best Regards,

Tim Byal | Vice President
