Reference: SAN LORENZO – Lot #1 Pool Setback for home located at 10401
Via Parma Way, Miromar Lakes, FL 33913

Dear Frank,

We are in receipt of the pool plan dated 9/16/21 from Artesian Pool Construction, INC. for the new model home in San Lorenzo at Miromar Lakes. Based on our review, we have approved the drawing with consideration for variance to the required 10 foot rear yard setback to 5 feet due to the configuration of the home site.

Miromar Lakes has provided a significant vegetative buffer along the west and north portion of the adjacent roadway his home site to ensure privacy. If you should have any further questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read 'David J. Salko', is written over a faint, light blue circular stamp.

David J. Salko
Director of Planning
